Lev. 6:8-12

Heb 10:4-12

Heb 13:8-12

-Jesus Christ is a type of the burnt offering

-The altar is a type of our heart.

-Is there a fire in my heart for the Lord?

Characteristics of the hear/altar:

1. It's a very special place
2. It's a sinful place
3. It's a sacrificial place
4. It's a supernatural place

The priests were told to:

1. Watch the fire – don't let it go out
2. Take up the ashes daily
3. Feed the fire – give it new wood
  - a. Bible reading
  - b. Scripture memorization
  - c. Prayer
  - d. Witnessing

The altar was a place for God's presence (II Kings 12:1-19)

- Jehoash became Joash...just a bunch of smoke
- He got rid of the important things
- He depended on other people for his relationship with God

Don't let the fire go out!
