

Can't We All Just Get Along
1 Thessalonians 5:12-15

As the return of Jesus approaches, it is more and more difficult to maintain proper relationships, even within the local church. A healthy church can have right relationships in the last days, but to do so we must follow Biblical instructions. For us to have right relationships we must:

Pastor to People vs. 12b

_____ among the people

_____ the people

_____ the people

People to Pastor vs. 12a, 13

_____ the pastor

_____ the pastor

____ _ with the pastor

People to People vs. 14,15

_____ the unruly

_____ the feebleminded

_____ the weak

Be _____ toward all men

Don't render _____ for evil

_____ that which is good

Application steps:

I will take responsibility for my relationships

I will continue to focus on the return of Christ

I will follow God's instructions, even if I don't agree

I will put others needs above my own

I will trust God to sustain me in difficult relationships
